FIG. 15A

A dialog box with two tabs: "Document size" (selected) and "Initial position". The "Document size" tab contains two radio buttons: "Not designate the document size." and "Designate the document size.". Below these, there are two input fields: "Horizontal direction" with the value "400" and "Vertical direction" with the value "300", followed by "mm × mm". At the bottom are "OK" and "Cancel" buttons.

Document size Initial position

☐ Not designate the document size.

☒ Designate the document size.

Horizontal direction 400 mm × Vertical direction 300 mm

OK Cancel

FIG. 15B

A dialog box with two tabs: "Document size" and "Initial position" (selected). The "Initial position" tab contains four radio buttons, each with a corresponding "Document" icon showing a different initial position: "Horizontal from the lower left corner", "Horizontal from the upper left corner", "Vertical from the lower left corner", and "Vertical from the upper left corner". At the bottom are "OK" and "Cancel" buttons.

Document size Initial position

Document

☒ Horizontal from the lower left corner

Document

☐ Horizontal from the upper left corner

Document

☐ Vertical from the lower left corner

Document

☐ Vertical from the upper left corner

OK Cancel
